Enjoy the Summer

We hear from many of you who read our monthly email. You know we try to give you three quick thoughts. This is the part you all like the most...short and sweet. Well here are our thoughts for August...

My wife and I finally watched the movie *The Bucket List*. So since August is the end of summer, here are our recommendations for your summer 2008 Bucket List.

1. Go enjoy the beach for a day. Get a good lobster dinner and go back to the beach for a long walk during sunset.

2. Fire up the BBQ grill and invite the family over. Take the time to enjoy what is most important.

3. Drive up Mount Washington. It is really an amazing place with spectacular views. There are not many months to enjoy the top of this truly special mountain.

Slow down...realize what is most important in life...and enjoy our (too) short New England summer!

We welcome your feedback, questions and inquiries about our services. You can reach us at info@olbrichtgroup.com We look forward to hearing from you!
